**Arizona Shower  
Door  
Glass Protection**

**The low-cost, highly  
effective method for  
glass to repel water.**

---

## Arizona Shower Door Glass Protection Benefits

---

- **Reduce cleaning time** — dirt doesn't easily stick to Arizona Shower Door Glass Protection.
- Glass and ceramics stay **sparkling clean and looking new** with Arizona Shower Door Glass Protection.
- **Reduce odors and discoloration** — impurities do not easily stick.
- **Eliminate water spots** — water and minerals do not stick.
- **Extra long lasting** — one application of Arizona Shower Door Glass Protection on interior surfaces will last three years or more under normal use.

---

## How Arizona Shower Door Glass Protection Works

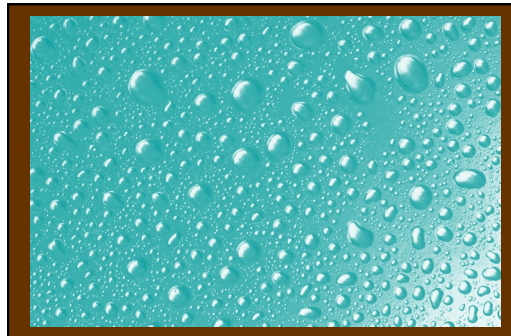

---

Arizona Shower Door Glass Protection provides an exceptional hydrophobic surface on glass products. It is easy and very cost efficient to apply.

Arizona Shower Door Glass Protection is a totally transparent coating that causes water to simply roll off the treated surface.

Arizona Shower Door Glass Protection will reduce the adhesion of mold, germs, and lime deposits to help reduce their growth.

While non-stick surface applications have been on the market for over 20 years, Arizona Shower Door Glass Protection is quite different. It is less costly and semi-permanent.

## Care Tips for Arizona Shower Door Glass Protection

---

- **Daily Cleaning:**  
Use a squeegee or soft clean towel to wipe surface clean.
- **Hard to Clean Spots:**  
Use ASD Shower Tub & Tile Cleaner with soft clean towel to wipe surface clean.
- **Aggressive Cleaning:**  
Use ASD Shower Tub & Tile Scrub with soft clean towel to wipe surface clean.
- **Do Not Use Any Product that Includes Any Acids or a Combination of Acidic type of Product. This Will Void Your Warranty.**
